

BETTINA WELKER: FORM, TEXTURE, AND COLOR

Form, Texture & Color

A walk through all my favourite techniques: Swiveling Elements, Thread Decor, Translucent Layers, Shadowboxes and many more. By the end of the class you will have a nice stash of different beads and elements that you can combine to your own unique piece of jewelry. Jewelry construction will also play a big part in this class.

APRIL 16-17, 2016

Dallas, TX

Hosted by the North Texas

Polymer Clay Guild

www.ntpcg.org

Bettina is a graduated graphic Designer, who has worked with jewelry design and polymer clay since 2001.

Her 2012 book, "Polymer Clay Bracelets" placed first in the Intermediate Art Jewelry Category in the Polymer Clay Association's Progress and Possibilities Competition 2011.

She loves teaching and interacting with creative people.

Cost: \$230.00

Date: April 16-17, 2016

The Class is presently full, but you may be put on a waiting list or ask for more information by contacting Diane Foster at workshop@ntpcg.org
